Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

RIGHT-OF-WAY EXPROPRIATION BY-LAW 1971, No. 3501

THIS INDENTURE, MADE THE DAY OF A.D. 197 BETWEEN (hereinafter called the "Grantor") OF THE FIRST PART

AND THE CORPORATION OF THE DISTRICT OF SURREY, having its municipal offices in the Municipality of Surrey, in the Province of British Columbia (hereinafter called the "Grantee") OF THE SECOND PART:

Whereas the Grantor is the owner in fee of those certain parcels or tracts of land and premises situate, lying, and being in the Municipality of Surrey, in the Province of British Columbia, and being more particularly known and described as the south 87 feet of Lot 7 of the northwest quarter of Section 31, Township 2, Plan 1181, NWD (hereinafter referred to as the "said lands"):

And whereas to facilitate the installation of a sanitary sewer main and works the Grantor has

agreed to permit the construction by the Grantee of the aforementioned works on the said lands, to grant for that purpose the right-of-way hereinafter mentioned:

Now this indenture witnesseth that, in consideration of the sum of \$1, now paid by the Grantee to the Grantor (the receipt whereof is hereby acknowledged), and for other valuable consideration, the Grantor, for himself, his heirs, executors, administrators, and assigns doth grant unto the Grantee, its successors and assigns, a right-of-way and the full, free, and unrestricted right and liberty to construct and maintain the aforementioned works in, over, and upon all and singular that certain parcel or tract of land and premises, situate, lying, and being in the Municipality of Surrey, in the Province of British Columbia, and more particularly known and described as those portions of the south 87 feet of Lot 7 of the northwest quarter of Section 31, Township 2, Plan 1181, NWD, shown as right-of-way and outlined red on Explanatory Plan 39926 (hereinafter referred to as the "said right-of-way").

And for the purposes aforesaid to enter upon and have free and uninterrupted access at all times to the said right-of-way, with or without workmen, vehicles, and equipment.

And to enter upon and have free and uninterrupted access for the purpose of repairing, cleaning, and otherwise servicing the aforementioned works, placed by the Grantee upon the said lands.

And it is mutually understood and agreed by and between the parties hereto that this indenture shall be construed as a covenant running with the land.

To have and to hold unto the Grantee, its successors and assigns forever.

The Grantor hereby agrees that for the purpose of installing the works initially the Grantee may enter upon any additional 30 feet of the Grantor's property adjacent to the right-of-way.

The Grantor hereby covenants and agrees with the Grantee that the Grantor will not erect, place, or maintain any building or structure on any portion of the right-of-way.

And that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works and in particular will not carry out blasting on or adjacent to the right-of-way, without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld.

And that the Grantor will not diminish the soil cover over any pipe installed in the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld.

And the Grantor covenants and agrees with the Grantee that any and all chattels and fixtures installed by the Grantee on the said right-of-way shall be and shall remain chattels, any rule at law to the contrary notwithstanding, and shall belong solely and exclusively to the Grantee.

The Grantee hereby covenants and agrees with the Grantor that the Grantee

(a) will not bury debris or rubbish of any kind in excavations or backfill and will remove shoring and like temporary structures as backfilling proceeds;

(b) will thoroughly clean the site, raking up all rubbish and construction debris and leave the site in a neat and clean condition;

(c) will, as soon as weather and soil conditions permit, and in so far as it is practicable so to do, bury, maintain, repair, and (or) replace and remove all underground works so as not to interfere unduly with the drainage of the land;
